

1. Prepare the nail surface properly. Push up the nail skin, use Crystal nails Xtreme File 180/180, after this remove the dust and apply Primer liquid on the nail.

2. Apply the nail form.

3. Make a nail extension with Crystal Nails Slow Pink Acrylic Powder.

4. Create the free edge from Crystal Nails Red Acrylic Powder and cover it with Crystal Nails 23 pink acrylic powder.

5. Until the acrylic powder is silky, decorate it with Nail Art Needle.

6. After using Nail Art Needle...

7. Decorate with acrylic flowers.

8. Decorate the flowers...

9. Apply CN Transparent Acrylic Powder on the nail

10. Use the CN Nail File 150/150 to shape and finish the nail. Apply Top Coat on the nail as the final step.
