

AUTUMN FAIRY

1. Push up the nail skin and remove the skin from the nail properly. Remove the dust with Crystal Nails dust brush and after that use the Crystal Nails Nail Prep. Apply the Crystal Nails new Butterfly form to create extra long Stiletto Nail and make nail extension with Crystal Nails Clear Powder.

2. Shape the negative of the smile line with nail bed extension after this bend the nail with the C curve bending tweezers.

3. Paint the background colors with colored acrylic powders.

4. Fill up the free edge with Crystal Nails Clear Acrylic.

5. Give a nice shape to the nails and remove the dust.

6. Create the leaves. Use the Crystal Nails colored acrylic powders 44(orange), 16(yellow).

7. Use purple acrylic paints to heighten the contours. At the end give back the natural light of the nails with Crystal Nails UV Filter. Choose one nail and paint on the autumn fairy with Crystal Nails acrylic powders.

8. Finish Picture!!!
