

1. Prepare the nail surface properly. (Push up the nail skin, buffer, and remove the dust.) Use Crystal Nails Primer liquid. Apply the nail form and create a basic layer on the nail with Crystal Nails Acrylic powder.

2. Create the smile line from Crystal Nails Colored Acrylic Powder. Use the 319 black shiny.

3. Decorate with Swarovski crystal and use decor balls as well.

4. Apply 3 different kinds of colored acrylic powders. Use the 125, 131, and 610.

5. Put gold glitter powder on the top of the nail.

6. Create the C curve from transparent CN Acrylic Powder.

7. Make black lines on the nail.

8. Cover the whole nail with Crystal Nails Top Shine Gel.

9. Create white lines from Crystal Nails white gel.

10. Finish Picture!
